

# Animal Management Facility

## Missing your cat, dog or livestock?

To find out if your animal has been impounded in the City's Animal Management Facility please contact the City's City Assist team on **9439 0200**.

## If impounded?

Please make an appointment to collect the animal, with the City's City Assist service on **9439 0200**.

Once an appointment has been made, the impounding fee and any other charges incurred must be paid for, prior to your animal being released.

These payments must be paid during business hours at the **City of Kwinana's Administration** building located at the corner of Gilmore Avenue and Sulphur Road, Kwinana (*map 1*). Office hours are Monday to Friday 8.30am to 4.30pm (except Public Holidays).

Once the fees and charges have been paid, a City Assist Officer will meet you at the agreed time at the City's Animal Management Facility, located at the rear of our **City's Operations Depot** at 2 Beacham Crescent Medina (*map 2*).

The red marker indicates the City's Administration building. Follow the blue line to arrive at the Operations Depot located at 2 Beacham Crescent Medina.

You must also have your receipt with you prior to collecting your animal.

### Where is the Animal Management Facility?

The Animal Management Facility is located at the rear of the City's Operations Depot, 2 Beacham Crescent, Medina.

Access to the main entry of the City's Operations Depot is restricted to City staff and contractors only.

### To access the Animal Management Facility

Please follow the signage displayed at the front of the City's Operations Depot Main car park area.

There is an external gate located in the far right corner of the front carpark area of Beacham Crescent (*map 2*).

A City Assist Officer will open this gate when they arrive at the location. If this gate is not open, please give them a few minutes before contacting the City Assist team on 9439 0200.

Follow map 2 and drive down the outside of the perimeter fencing along the gravel toward a second gate located at the far north-western end.

A City Assist Officer will allow you access to the Animal Management Facility area.

The red line marks the path to the Animal Management Facility after you have arrived at the Operations Depot.
