

Terms and Conditions for the Supply of Goods or Services

The City of Kwinana (the **City**) requests the Supplier to supply the City with the goods (the **Goods**) and or services (the **Services**) specified in the City's purchase order (the **Purchase Order**) and the Supplier agrees to provide the Goods and or Services on the following terms and conditions.

1 Issue and Acceptance of Purchase Order

- 1.1 The Purchase Order is the City's offer to the Supplier for the Supplier to supply the goods and or services described in the Purchase Order to the City on the terms and conditions contained herein.
- 1.2 This Agreement is the entire agreement between the City and the Supplier (the Parties) relating to its subject matter. However, if a distinct and fully signed written contract exists between the Parties for the supply of the goods and or services listed on this order, the terms and conditions of that contract take precedence over these terms and conditions.
- 1.3 Subject to clause 1.2, the goods and or services provided by a Supplier are subject to these terms and conditions to the exclusion of anything to the contrary in the terms of the Supplier's order notwithstanding that any such order is placed on terms that purport to override these terms and conditions.
- 1.4 Acceptance of the Purchase Order by the Supplier will constitute a binding contract between the City and the Supplier to supply the Goods and or Services specified in the Purchase Order (in addition to any Goods or Services described in any document referred to in the Purchase Order) on the terms and conditions contained herein (this Agreement).
- 1.5 The Supplier must ensure that the Purchase Order number is clearly marked on all delivery dockets, bills of lading, packages, invoices and other documents and correspondence relating to the supply of the Goods and or the Services.
- 1.6 If the Supplier is unwilling or unable to accept the offer made by the City in the Purchase Order under the terms and conditions specified herein, the Supplier must immediately provide the City with notice in writing of any variations it requires to be made for the acceptance or rejection in writing by the City.

If the Supplier proceeds with the manufacture and or supply of the Goods and or Services without first requesting or receiving the City's written acceptance of variations proposed by the Supplier, then the Supplier is deemed to have accepted the terms and conditions contained herein and the terms of the Purchase Order.

No addition to or modification of this Agreement will bind either of the Parties unless it is made in writing and signed by both of them.

2 Warranties

- 2.1 The Supplier warrants that the Goods and or Services:
 - a) are of merchantable quality;
 - b) are manufactured and delivered strictly in accordance with any drawings, specifications and other instructions of the City given for the purpose of this Agreement;

The City will not be liable for any damage to or loss of the Goods whilst they are in transit to the Supplier, or whilst they are in storage.
- b) The City will generate a further purchase order when replacement Goods and or Services are required to replace Goods and or Services rejected pursuant to this Agreement. The Supplier must not replace any Goods and or Services rejected by the City unless the Supplier has received a purchase order for the replacement Goods and or Services. In the event that the City issues such a purchase order for replacement Goods and or Services then such purchase order is issued (and the replacement Goods and or Services are supplied) without prejudice to any right or remedy that the City has by reason of the rejected Goods and or Services failing to comply with this Agreement. The City may require the Supplier to refund any purchase price paid by the City for the Goods and or Services and recompense the City for any loss suffered by the City in respect of such rejected Goods and or Services.
